

## Prayer for Freezing Nights

Pray for:

Our Building:

- that it would be a place of rest, serve our guests, and glorify God.
- that it would be warm and welcoming.
- that it would provide refreshment and a sense of home.
- that the parking lot, entryway, gym, kitchen, and bathrooms would each be a blessing to our guests and keep them safe.

Our Guests:

- that they could build community with each other and our volunteers.
- that they would feel encouraged, supported, worthwhile, and purposeful.
- that they could have Jesus conversations here.
- that they would be loved and cared for.

Our Volunteers:

- that they would have the strength and heart to serve our guests well.
- that they wouldn't be afraid to love.
- that they would be blessed and full of joy while serving our guests.
