

3Group Discussion Resources

For the week of September 12/13-18

3Groups are centered around three main rhythms of apprenticeship from which we take our **CUE**. Allow plenty of time to share life with one another through conversation and catching up from the previous week. Listen to each person and hear how they have experienced victory and where they feel defeated. Use the questions below to help facilitate your discussion.

Courageous vulnerability

Take some time as a group and read through the Beatitudes in Matthew 5:3-14 along with Matthew 4:17. Have each person in the group answer one of the following questions.

- The beatitude that I have the most questions about is... Why?
- The beatitude that challenges me the most is... Why?
- For me, repentance looks like... How can we support you as a group of three?

Understanding and applying God's Word

- Where is Jesus inviting us to see ourselves and others in a new way?
- What do these realities reveal about God's heart for us?
- Where do I most want to resist what Jesus is saying in this passage?
- What do I find in Jesus' words most difficult to believe?
- What would it look like to align my life with Jesus' perspective in a given situation?

Experiences that encourage us to live as apprentices of Jesus

Take some time in your gathering to prayerfully read through the Beatitudes. Specifically ask Jesus to reveal one area or belief that He would want to challenge in your life. Which of the beatitudes speak to that issue directly? If you're stuck, ask the other members of your "3" for help. As Jesus reveals both that issue and beatitude, share that with the group. Spend some time as a group praying for each person and commit this week to following in light of that new perspective.
