Families In: Families Out (Living Missionally as a Family)
Acts 1:8 and Genesis 12:3

Main Truth Point: Families on mission with God means joining Jesus in His work...wherever you live, work, play and go.

Truth Point #1: Families on mission means living missionally in the home.

Tips for living a missional life at home:

- Pray together.
- Read the Bible together.
- Eat together.
- Practice forgiveness and reconciliation.
- Consume less. Give more.
- Stop the busyness. Embrace presence.

Principle: Living on mission doesn't start with doing something for God; it begins with what He has done for us.

Truth Point #2: Families on mission means living missionally outside the home.

Tips for living a missional life outside the home:

- Brainstorm ways to serve.
- Write a family mission statement.
- Put the mission statement on display.
- Hang up a world map.
- Join Kids on Mission.
- Sponsor a child.
